GIRL RISING

You've heard the statistics, you've read the articles, and now you're wondering what you can do to educate girls and change the world.

Join us for a free screening of “Girl Rising,” a documentary about the transformative power of education for girls around the world.

From Academy Award-nominated director Richard E. Robbins, Girl Rising follows nine unforgettable girls living in the developing world who confront tremendous challenges and overcome nearly impossible odds to pursue their dreams.

Stay tuned after the film for a panel of Returned Peace Corps Volunteers who worked on projects to empower women and girls globally.
