

**Personal Statement**

Briefly describe why you would like to participate in this archaeological field school. Explain why you should be accepted, what you expect to learn and/or accomplish this summer, and how this will help you achieve your career or educational goals.

## **Dietary/Medical Information**

List any special dietary restrictions, allergies (including severe allergies to poison oak), medical needs, and other needs or concerns you may have. Be specific.

**Submit this application, resume, and transcript to:**
