**FTE:** 1.00

**Job Open Date:** 6/11/12

**Job Close Date:** Open until filled

**Review Begins:** 7/1/12

**Benefits Eligible:** Yes

**Position Summary**

The School of Anthropology (College of Social and Behavioral Sciences) at the University of Arizona seeks a biological anthropologist on a temporary basis to teach during the 2012-13 academic year. The course load is three courses per semester and includes the following courses: Fall Semester 2012: Two sections ANTH 170C-1: Human Variation in the Modern World; and ANTH 445A/B: Contemporary Approaches to Human Biology. Spring Semester 2013: ANTH 170C1 (one section); Human Variation in the Modern World; ANTH 261: The Human Species; and ANTH 265 Human Evolution.

Individuals with background or experience suitable for teaching introductory courses in biological anthropology and upper division courses in human evolution with a writing emphasis are encouraged to apply. A Ph.D. in Anthropology (prior to August 2012) is required.

*As an equal opportunity and affirmative action employer, the University of Arizona recognizes the power of a diverse community and encourages applications from individuals with varied experiences, perspectives, and backgrounds.*

**Requested Documents**

- Letter of Interest
- CV
- Please arrange to have two letters of reference sent to:
  Chair, Biological Anthropology Search Committee
  School of Anthropology
